**Department of Anatomy**

**Information for Body Donation during COVID 19 pandemic at All India Institute of Medical Sciences, Bhopal.**

The Department of Anatomy runs a body donation programme for getting donated bodies for teaching, training and research. The Department has framed guidelines for accepting donation based on Anatomy Act, a legislation which permits recognised institutes to keep cadavers for teaching and research purposes. The body is accepted on the will of the donor or his/her near relatives.

**Death Certificate**, mentioning the cause of death is **mandatory** for donation as per the Anatomy Act.

It is hereby requested that any query regarding the body donation may be forwarded to department of Anatomy. There are two body donation contacts which are functional **24x7 hrs (8989209454, 8989209455)**.
